REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The students of Calhoun Falls Charter School continue the pursuit of excellence in academics, athletics, and citizenship. Dual enrollment courses were offered on the campus of CFCS in the areas of math and English. New remedial and enrichment programs were implemented in the areas of math and language arts for both high school and middle school students. A curriculum coordinator was hired to ensure data-driven and research-based instruction. A school-wide mentoring program was implemented to assist at-risk students in the areas of behavior, academics, and attendance. For the third consecutive year, a CFCS student was named the South Carolina Public Charter School "Student of the Year," and the first South Carolina Public Charter School "Middle School Student of the Year" was also named from CFCS. Along with academics and athletics, CFCS students continue to develop citizenship skills through the school's service learning program. Over 100 students logged 6,075 hours of volunteer service within the school, community, and surrounding areas. Student organizations such as the Beta Club, SGA, and the Service Learning Club sponsored several successful food drives for the town's food pantry, while other groups and individuals participated in fundraising events for Relay for Life and the March of Dimes. At CFCS, we are proud of our accomplishments and excited about the future. With the continued support of parents and community, we will become the "School of Excellence" we all envision.
